

Eltwin A/S

Announcement 1. January 2017

Eltwin Group adds Hyper Engineering Ltd. to our portfolio.

From January 2017 the Australian based manufacture of intelligent softstarters, Hyper Engineering Ltd. will be part of Eltwin Group. [Hyper Engineering](#) designs, manufactures, and exports [single phase](#) and [three phase](#) electronic software-driven soft starters. With offices located in USA and Australia, Hyper Engineering fulfills soft starter requirements worldwide.

The softstarters from Hyper Engineering is a strong expansion of our existing product portfolio and the expansion will be an important part of the process of internationalizing Eltwin Group.
